

## Newlathes Nursery and Infant School Medium Term Planning

Year Group: 1

Term: Autumn

Subject: Mathematics

We use Maths No Problem. This follows a mastery maths teaching approach, where children master the mathematical topic and subject before moving onto the next area of the mathematical curriculum. Children will use a variety of concrete, pictorial and abstract methods when exploring mathematics.

### **Children will learn**

Numbers to 10

Number bonds

Addition within 10

Subtraction within 10

Positions

Numbers to 20

Due to following maths mastery, some of the expected mathematical topics, may be taught in Spring term. We also teach number sense and fluency following the NCETM Mastering Number programme. Children will use a variety of representations and resources including rekenreks and Hungarian number frame.
