

Welcome to

Newlaithes

Nursery and Infant
School Nursery

This is your classroom

We think spending time

Outdoors

is very important for our learning.

You can join in with the fun in our fully stocked **mud kitchen**, where you can cook up some treats with our utensils! In our **WATER AREA**, explore floating and sinking or you can role play **outdoors** where we have dress up, kitchen sets and much more. Keep reading to learn about our exciting areas!

Our physical
areas are well
used and develop
motor skills,
communication
and
co-ordination.

Don't forget your hard hat in our

CONSTRUCTION ZONE

Sand and gravel play can help strengthen large muscles as you use these muscles to dig, pour, scoop and shovel.

As you are pouring the sand into containers, it improves hand-eye coordination.

Literacy

We bring literacy outdoors with our reading and mark-making areas. You can practise mark-making on our chalk table, paint a picture or cosy up with a book in the reading house.

Have a
SPLASH
in the outdoor water area.

We have a really exciting water wall to explore! Can you fill different containers with water?

Or explore our outdoor maths area. You can practise counting, making patterns and measuring different objects!

Play in the outdoor

MUD KITCHEN

Make some cakes and cook up some 'tasty' treats using the various utensils, pots and pans.

Or make some lovely music in our outdoor
MUSIC AREA.

You can play in the small world area

The small world area changes throughout our topics.

We play with lots of different things, including dinosaurs, princesses, fire fighters and story characters!

You can play in the CONSTRUCTION AREA

We like to use
natural resources
in our learning.

We can build all
sorts of things! We
use our imagination
to build cars, trains,
big towers and more!

In the role play area, you can use
your

Imagination

You could play in the
garden centre or make
some food in your
cafe.

You could look after the
babies.

You could even be a
police officer!

Or a shopkeeper at
the local market.

Have a
SQUEEZE
in the playdough area

Cook up some
yummy treats or
create creatures
with whiskers and
prickles!
Use different tools
to express your
imagination.

Create a masterpiece in the
CREATIVE SPACE

We offer a range of
Healthy Snacks
throughout the day

We look forward to
welcoming you to
Newlaithe
Infant School
Nursery.
