

Nursery Topic Overview. Summer 2.

Parent Information.

This will be the last term for our children due to start Reception. How time flies!

This is just a rough overview. There are ideas of what we can do linking to each mini topic. The tasks aim to cover all areas of the EYFS.

We are flexible in our days and topics and aim to follow children's interests and learning needs.

Literacy and maths may be taught discretely as well as topical. We will follow RWI phonics when appropriate, share as many stories and rhymes as possible in a day, make opportunities for maths and counting and lots of physical play in the school hall and outdoors. Communication and language and PSE will be an integral part of the day whether it's through our learning environment, carpet time, group time or one to one.

Week 1- The Three Billy Goats Gruff.

Lots of retelling and role-playing the story so we know it off by heart! Looking at different names for big, middle sized and small. Goat facts. Troll craft.

Week 2 and 3- Farms.

This is so much fun! Learning all about baby animals, farm machinery, where our food comes from and hearing stories such as Farmer Duck, A Squash and a Squeeze, The Scarecrow's Wedding, Oink and The Little Red Hen. We will also visit Walby Farm Park.

Week 4 - The Seaside

We will combine this topic with weeks 6 and 7 also. We will look at the seaside and all the different types of sea creatures. We will share the following stories... Kipper's beach ball, The Singing Mermaid, Tiddler and The Clumsy Crab.

Week 5- Whole School Sports week.

Lots of fun exercise and active games. We will be outside as much as we can so please dress your child in comfortable clothing. No school uniform this week. We will have some sports coaches to work with us too. We will listen to the story of the 'Yoga Ogre'. Nursery Sports Day will take place at the end of this week which parents will be invited to. During this week the children will also learn how to keep healthy. We will talk about the importance of exercise, fresh air, drinking water, eating fruit and vegetables, and getting plenty of sleep.

Week 6 and 7 - Summer, Sun Safety and Holidays

Hopefully, this topic will bring the sunshine! We will look at the season Summer, how to stay safe in the sun and holidays- what would we pack to go camping in Britain or what would we pack to go to Spain etc?

And hopefully we can finish Week 7 with a Summer end of term party wearing shorts and shades! Further information to follow.
