Newlaithes Nursery and Infant School- **Nursery**

Settling in.

The first few weeks we will be settling the new children into nursery and all getting to know each other. It has been a strange time and our main priority will be making sure everyone is happy and feel comfortable.

We will then be carrying out a range of assessments which forms a baseline. This helps to track your child's progress throughout the year. Don't worry about this, we mostly observe the children in the learning environment and play fun games.

We will then do mini topics. The themes will be sent via Evidence Me every half term. They are just a rough guide and will depend on the children's interests and needs.

Snack

Weekly snack menu will be sent via Evidence Me every Monday.
£1 a week to be handed to class teacher or you can pay termly.
