

Newlaithes Nursery and Infant School  
Active School Travel Policy 2021

At Newlalthes Nursery and Infant School, we encourage pupils and parents to travel to school by cycling, scooting and walking wherever possible. To help with this we are working with organisations such as Living Streets and Modeshift STARS to promote an active and healthy lifestyle for all those in school.

This school travel policy explains how we will be encouraging active travel to school. We will discuss the policy with pupils and re-visit it periodically to ensure its relevance. For pupils unable to come by foot or bike, we encourage car-sharing.

**Some of the benefits of active travel:**

- Improving both mental and physical health through physical activity.
- Establishing positive active travel behaviour.
- Promoting independence and improving safety awareness.
- Reducing congestion, noise and pollution in the community.
- Reducing the environmental impact of the journey to school.

**To encourage pupils to cycle, scoot or walk to school frequently the school will:**

- Actively promote cycling, scooting and walking as a positive way of travelling.
- Celebrate the achievements of those who cycle, scoot and walk to school.
- Provide cycle and scooter storage on the school site.
- Provide road safety awareness training to children, making their travel to school safe and fun.

**To make cycling, scooting and walking to and from school a positive experience for everybody concerned, we expect our pupils to:**

- Ride and walk sensibly and safely and to follow the Highway Code and Green Cross Code.
- Check that their bicycle or scooter is roadworthy and regularly maintained.
- Behave responsibly as a pupil of Newlalthes Nursery and Infants School, and to consider the needs of others when cycling or scooting.
- Ensure a cycle helmet is worn at all times when cycling to and from school.
- Ensure they can be seen by other road users, by using lights and wearing high-visibility

clothing, as appropriate.

Walk with their bike or scooter when on school grounds

**For the well-being of our pupils, we expect parents and carers to:**

Encourage their child to walk, cycle or scoot to school whenever possible.

Encourage their child to take up opportunities to develop their competence and confidence in cycling or scooting.

Provide their child with equipment such as high-visibility clothing, lights, a lock and cycle helmet as appropriate.

Ensure that the bicycles and scooters ridden to school are roadworthy and regularly maintained.

Ensure their child walks with their cycle or scooter when on school grounds

If you have any ideas to improve things at or around school for pedestrians and cyclists, or questions about travelling to school, please get in touch.

Please note: The decision as to whether a child is competent to cycle, scoot or walk safely to and from school rests with the parent(s)/carer(s). The school has no liability for any consequences of that decision. Parents are advised to take out appropriate insurance cover for bikes (check home insurance) as the school's insurance does not cover any loss or damage to bicycles and scooters, even whilst on school grounds.
