

The Jungle Book

Jungle Prologue

Bagheera:

Now I'm the panther Bagheera,

Baloo:

And I'm the big bear Baloo.

Both:

And we've got lots of jungle friends we want to introduce to you.

Bagheera:

A way we go to the jungle

Baloo:

Over hill and valley and brook.

Both:

We'll set the stage and turn the page and open up
The Jungle Book.

Bagheera:

So set the Stage!

Baloo:

And turn the page!

Both:

And open up The Jungle Book!

Jungle:

Come along and hear a story,
strange and marvellous and true.

Let us take you to the jungle under skies of Indian
blue.

Wolves:

Deep inside this leafy jungle,
lived a little orphan boy.

Wolves that raised him named him Mowgli.

He grew up to be their pride and joy.

Pride and joy,

Pride and joy.

Happy was the man-cub Mowgli,
all the jungle's pride and joy.

Happy was the little man-cub,
till the tiger gave a roar.

Shere Khan:

Get that boy out of my jungle!

He can't stay here anymore!

Jungle:

Though his jungle family loved him,
loved him more than words can say,
they knew Mowgli was in danger;

Mowgli must be sent away.
Sent away,
sent away.
From the tiger we'll protect him,
Mowgli must be sent away.

Jungle:
Bet you're wondering what will happen.
Come along and take a look.
Come and listen to the story
that we call The Jungle Book.
Take a look,
take a look,
take a look,

take a look.

Jungle:
Come and listen to the story and begin...
The Jungle.. .Jungle Book!

Kaa the Snake

Coconut Tree:

What a day for little Mowgli!

How much more could Mowgli take?

Tell us now, what's going to happen.

Jungle:

Enter Kaa... the Snake!

Trust in Me

Kaa 3:

But don't you don't understand?

Kaa 4:

I don't want to hurt you!

Kaa (All):

I just want to give you a biiiiig... hug!

Ssssss! Ah... Mmm...

Kaa:

Trust in me

Trust, trust.

Just in me

Just, just.

Shut your eyes

Shut your eyes

and trust in me.

Trust! Ssss!

You can sleep

Sleep, sleep.

safe and sound

Shhhh!

knowing I

knowing I... am around

and around and around and around...

ALL:

Slip into silent slumber,

Sail on a silver misssst,

Slowly and surely your senses will cease to resist.

KAA:

Sssh! Sorry!

Oh! Oooooo! Yum!

KAA ALL:

Trust in me,

Trust, trust.

Just in me,

Just, just.

Shut your eyes,

Shut your eyes

And trust..in...

Trust in me, just in me.
Trust, in, me!

Night into Day

Jungle:

Kaa, the snake, slunk away
and the night turned to day.
Then guess what?
What indeed?
Mowgli heard... a stampede!

Colonel Hathi's March

Haithi:

Hup two three four
Keep it up two three four

Elephants:

Hup two three four
Keep it up two three four.
Oh, the aim of our patrol
is a question rather droll.

For to march and drill over field and hill

Haithi:

is a military goal,

Elephants:
is a military goal.

Haithi:
And a hup two three four.
Dress it up two three four.

Elephants:
By the ranks or single file,
Over every jungle mile,
Oh we stamp and crush
Through the underbrush

Baby Elephant:
in a military style!

Elephants:
In a military style!

Haithi:
Company! Halt!

Baloo the Bear

Coconut Tree:

Mowgli sat down, sad and blue;
Didn't know what he should do.

Rock:

But the rocky wall

Flower:

wasn't rock at all...

All:

but the great big bear, Baloo!

The Bare Necessities

All:

Look for the bare necessities,
the simple bare necessities.
Forget about your worries and your strife.
I mean the bare necessities,
or Mother Nature's recipes
that bring the bare necessities of life!

Baloo:

Wherever I wander,
wherever I roam
I couldn't be fonder,
of my big home.

Jungle:

The bees are buzzin in the trees
to make some honey just for me.
You look under the rocks and plants and
take a glance at the fancy ants, then
maybe try a few.

All:

The bare necessities of life will come to you.

They'll come to you.

Bagheera:

Of all the ridiculous...

Baloo, do you see these tiger tracks? Shere Khan is right on our trail! I've got to check this out.

Baloo:

Don't you worry, Baggy! Go on ahead.

Little buddy's safe with me!

Bagheera:

Don't move.

Baloo:

We won't move.. but we can groove!

C'mon little buddy... let's show em how it's done!

Mowgli:

Wherever I wander,

Jungle:

wherever I roam.

Mowgli:

I couldn't be fonder

Jungle:

of my big home.

Baloo, Mowgli:

The bees are buzzin in the trees

to make some honey just for me.

Mowgli, Rocks, Plants:

You look under the rocks and plants and
take a glance at the fancy ants, then
maybe try a few.

Mowgli:

Don't mind if I do!

Jungle:

Yeah!

The bare necessities of life will come to you.

They'll come to you.

They'll come to you!

They'll come to you!

They'll come to you.

They'll come to you! you! you! you! you!

The bare necessities of life!

Monkey Business

Jungle:

Looks like they took our jungle friend.

The monkeys took our jungle friend!

Bagheera needs to come and help us out.

Let's go to where the monkeys play;

we'd better hurry on our way.

See what this monkey business is about.

See what this monkey business is about.

See what this monkey business is about.

What's it all about?

I Wan'na Be Like You

Louie:

Now, I'm the king of the swingers,
the jungle V.I. P.

Monkeys:

He's reached the top and had to stop.

Louie:

And that's what bothering me.

I wanna be a man, man-cub,
and stroll right into town
and be just like the other men.

Monkeys:

We're tired of monkeying around.

King Louie, Monkeys:

Oh, ooh, ooh, ooh!

We want to be like you, ooh, ooh!

We wanna walk like you,
talk like you,

ooh, ooh, ooh!

You see it's true, ooh, ooh!

All:

Monkeys:

Now listen closely man-cub.

We've got some plans for you!

The choice is clear, we need you here
to make our dreams come true.

Louie:

Now give us the secret man-cub;
teach us every rule.

And you can be the master
of our how-to-be-a-man-cub school!

King Louie, Monkeys:

Oh, ooH, ooH, ooH!

We want to be like you, ooH, ooH!

We wanna walk like you,
talk like you,

ooH, ooH, ooH!

You see it's true, ooH, ooH!

An ape like me, ee, ee

All:

can learn to be hu-ooH-ooH-man too, ooH, ooH.

Baloo:

Man, what a beat!

Bagheera:

Will you stop that silly beat business and listen?

Baloo:

Oh, yeah, yeah.

Bagheera:

Now, you distract that monkey, and I'll rescue Mowgli. Got that?

Baloo:

Hey! Zompopparony

Louie:

Shoobedibop, shoobedibop

Baloo:

Can learn to be like someone like me hee hee hee

Shere Khan the Tiger

Shere Khan:

Now I'm the king of the jungle,
not some confounded ape!

Jungle:

Observe his claws and from his paws
no man-cub can escape.

Shere Khan:

I could end this story right now,
but that would be such a yawn.

Jungle:

It's much more fun to let him run

Shere Khan:

from mighty me:

Jungle:

Shere Khan! Shere Khan! Shere Khan?!

Shere Khan:

Roar!!!

Mowgli Runs

Jungle:

Search on high...

Search on low...

What would happen to the man-cub without any place to go?

Wherever you wander,
wherever you roam,
you couldn't be fonder
of your big home...

Mowgli:

The bees are buzzing in the trees
to make some honey... just for...

That's What Friends are For

Jungle:

When you're alone,
who comes around to pluck you up when you are
down?

And when you're outside looking in,
who's there to open the door?

That's what friends are for.

And when you're lost,
in dire need,
who's at your side at who's at your side...
lightening speed?

We're friends with every creature coming
We're friends with every creature coming down the
pike.

In fact, we've never met a man-cub that we didn't like.

So you can see were friends in need
and friends in

So you can see were friends in need
are friends indeed.

We'll keep you and friends in need

are friends indeed.
safe in the jungle forever more...
safe in the jungle forever more...
Shere Khan:
That's what friends are for! Roar!!!

The Battle

I'll get his tail! and tug like so!
we've got some fruit that we can throw.
We've got to put out heads together for the boy
we adore.
That's what friends are for!
And with our points,
his eyes we'll scratch.
And with some rocks,
he'll meet his match.
We'll get the tiger by the tail and then he' gonna
pay.
Somebody's got to keep the man-cub out of Shere
Khan's way.
We'll tie him up.
He'll yell and howl!
We'll show Shere Khan who's sorry now,
and then he'll run out of the forest with a terrified
roar...
Seven, eight, nine, ten!

And Shere Khan ran out of the forest with a terrified roar...

That's what friends are...

That's what friends are for!
